

THE NEW MEETING FOR STAKEHOLDERS AND ACCELERATORS OF CHANGE

In November 2024, Pollutec Paris took place right in the heart of the capital, bringing together the key players in the ecological and energy transition for two days of rich exchanges, innovations and concrete solutions.

This edition marked a turning point thanks to an ambitious programme, inspiring meetings and unprecedented mobilization around major environmental challenges.

Discover at a glance everything that makes Pollutec Paris 2024 an unmissable event, **where the sustainable world is invented.**
